With reference to your

I have the honor to report
the result of the enquiries made

It is not therefore necessary
to remove him.

Chettipett. It is not there-

I understand that it
was decided to employ
inhabitants of the adjoining
villages on this work as no
strangers can live there for
6 months during the rains
without either dying or becom-
ing permanently in ca-
pacitated for work. It
was also necessary that one
of the men should read
and write Telugu. It is
but a natural assumption
to suppose that the few
who can read and write
in these parts should come
from other places, and
if we don't employ one of
them we can get no one
to do that part of the work.
It is therefore proposed
not to remove them.

This man I have ascer-
tained from the Tahsildar
does not hold land but
his father does. I see no
necessity to remove him;
moving a lascar because
he is connected with some
land in the Division or
circle as the case may be,
seems to me a ridiculous
reading of titles.

to your honor's notice that
the lands in question were

the land under reference

will be my legal possession
when separated among my

impossible for me to dispose
of the land in which now
I have no personal interest
at all. Under the foregoing
circumstances I beg to request

Sir,

With reference to para 3 of G.O.
No. 2138 W. dated 29th August 1882, I have
the honor to inform you that the sub-
mission of the statement noted in the
margin from this Circle for the year
1881-82 has been delayed owing to
non-receipt of a complete Return
from the Western Division Godavari.

2. A Return was received in
this Office on the 1st August 1882
from the Western Division, after
several reminders had been sent,
but as this Return was found to be
incomplete; the lands held by
lascars and others having been
omitted, it was necessary to return
it to the Divisional Officer on the
2nd August 1882 with a request that

a complete statement shewing the lands held by all members (including laicars) of the Department employed in that Division should be submitted. A reminder has already been sent on the 25th August 1882 for the Statement in question.

3. Again I have this day in communicating a copy of the above quoted G.O. called upon the Divisional Officer to expedite the despatch of the statement & to furnish an explanation; for transmission to Government; of the long delay that has occurred in the despatch of the document under reference.
