Read—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, to the Officiating Chief Secretary to Government, dated 15th April 1882, T. No. 718 :—

With reference to G.O., Judicial Department, No. 2060, dated 5th October 1881, I have the honor to submit, for the information of the Government, an extract from my Notes of Inspection of the Sub-Registry Office at Pentapaud, in the Godavari District, on the 9th February last.

ENCLOSURE.

Extract from Notes of Inspection of the Sub-Registry Office at Pentapaud.

"The Deputy Tahsildar's Cutcherry is held in a thatched building, and as the Tahsildar is the Sub-Registrar ex-officio, the office of Sub-Registrar is held in the same building, and the records of the department, together with those of the Revenue Department, run very great risk of being destroyed by fire. The cutcherry is situated in the town surrounded by thatched buildings. The Sub-Registrar declared that there was a fire not long ago near the place. The sanction of the Government has been already obtained for constructing a Registration Office at this station, and the Government will be again addressed on the subject."

Order—dated 20th April 1882, No. 320, Judicial.

Communicated to the Public Works Department, in continuation of G.O., 5th October 1881, No. 2060, in view to early orders being issued; and to the Revenue Department for information.
