No. 157.

Read—the following letter from P. V. LUKE, Esq., Chief Superintendent, Government Telegraphs, Madras Division, to the Secretary to Government, Public Works Department, dated Madras, 20th February 1883, No. 6658 :—

I am desired by the Director-General of Telegraphs to apply for a double coach-house and 4-stall stable to be built in connection with the new Telegraph Office.

2. As regards a site, there is a vacant piece of ground quite close to the new office, which the Consulting Architect considers will answer very well for the purpose. It is private property, and belongs to Mr. C. V. Canniah Chetty. He is willing to part with it, but asks too high a price.

3. The Collector of Madras, to whom I applied in the matter, says that the piece of land referred to can be acquired under the Act, and that the probable cost of acquisition would be Rs. 1,840-9-2, including 15 per cent. compensation to be paid to owner under Section 42 of the Act.

4. I enclose a sketch of the proposed site, and have the honor to ask that a plan and estimate for the stabling may be furnished, on receipt of which the Director-General will endeavour to provide the necessary funds.

No. 158.

Order—dated 22nd February 1883, No. 584 W., Public Works.

Communicated to the Consulting Architect to Government, who will furnish the required plan and estimate.
