GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

No. 67.

READ—the following papers :—

From J. W. RUNDALL, Esq., Superintending Engineer, Second Circle, to the Secretary to Government, Public Works Department, dated Masulipatam, 20th November 1882, No. 851 N.L.

I have the honor, with reference to G.O., No. 1892 W., of the 25th July last, calling on me to submit a statement showing the compensation payable by the Public Works Department in the Nellore District, to report that the Executive Engineer, Nellore Division, has ascertained that there are no claims against his division not settled for want of funds. The list includes lands taken up for Local Fund Roads and the Buckingham Canal some years ago; the remark may be intended to apply to these cases.

1. Captain Henderson further states, that he has recently received some bills for land taken up for the river embankments; these bills have been from five to seven years under preparation in the Revenue Department; that land plans are being prepared, and the measurements being verified as fast as possible.

3. I have to-day forwarded an application for allotment to pay off the only bill for compensation for the river embankments which has reached me.

4. Captain Henderson's reply to the reference is dated the 16th instant, and reached me to-day. He explains that the list and Government Order, which were sent in original, were mislaid by him; hence the delay in reply.

5. I beg to return the original list which accompanied the Government Order.

No. 2234 C.

Referred to the Superintending Engineer, Fifth Circle, with request that he will comply with the instructions contained in G.O., No. 1892 W., dated 25th July 1882, with regard to claims which may exist against the Buckingham Canal Division.

(By Order.)

5th December 1882.

(Signed) ROSS THOMPSON, Lieut.-Col., R.E.,
Ag. Under Secy. to Govt., P.W.D.

To the Superintending Engineer, Fifth Circle,
with list and copy of G.O., No. 1892 W. (to be returned).

9TH JANUARY 1883, No. 60 W., PUBLIC WORKS.

No. 67-A.

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chapauk, 6th January 1883, No. 3421.

In returning your endorsement No. 2234 C., dated 5th December 1882, I have the honor to report that the Executive Engineer informs me there are no cases of compensation remaining unsettled for lands taken up for the Buckingham Canal in previous years.

Compensation for Lands.

Regarding the disposal of claims for
taken up for public purposes in the Nellore
District.

15TH JUNE 1882, No. 628, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 2nd June 1882,
Mis. No. 4002:—

Read—the following letter from J. LEWARNER, Esq., Acting Collector of
Nellore, to the Secretary to the Board of Revenue, dated Nellore, 16th
May 1882, No. 2254:—

With reference to the Board's Official Memorandum, dated 18th April 1882,
No. 686, I have the honor to submit herewith two compensation statements showing
the progress made in the settlement of compensation during the half-year ending
with 31st December 1881.

2. From my Statement No. II, it will appear that out of 1,086 cases remain-
ing to be finally disposed of, compensation was subsequently paid in forty-five cases
relating to the Sangam Project, and settled in 520 other cases; but no payments have
been made on account of latter, owing to the want of funds.

3. As regards the settlement of the remaining cases, I have lately distributed
them among the Divisional Officers concerned, with the request that all local in-
formation necessary for their disposal by me may be got ready as early as possible;
and I hope many of these cases may disappear in my next statement.

Resolution—dated 2nd June 1882, Mis. No. 4002.

The progress made during the half-year under report is not satisfactory. The
total number of claims pending was 1,152, and of these compensation was paid only
in 66 cases during the half-year and in 45 cases subsequently. In 520 of the
remaining cases, compensation had been settled during the previous half-year, but
no payment was made for want of funds. No explanation has been given for the
delay in the other cases in which compensation has not been settled, and the
return is still incomplete by the omission of the cases of lands taken up for famine
roads in the Ongole and Kanigiri taluks. The certificate appended to Statement
No. II, to the effect that no claims awaiting settlement have been omitted, is not
correct.

(True Extract.)

(Signed) E. GIBSON,
Acting Secretary.

To the Secretary to Government, Revenue
Department, with the Collector's letter
and its two enclosures in original to be
returned.

ORDER—dated 15th June 1882, No. 628, Revenue.

Miscellaneous.

As pointed out by the Board, the
progress made in the adjustment of
outstanding claims as shown in this
return is unsatisfactory.

15th June 1882, No. 625, REVENUE.

2. In reviewing the return for the previous half-year, the Government
• G.O., 6th February 1882, No. 143. noticed its incompleteness, and observe
that the present return is also incomplete
in that it does not include lands taken up for famine roads in two taluks.
3. As already directed, the Collector should use special exertions to clear his
heavy arrear file.
4. The remark entered opposite to the last entry in Statement No. II shows
that cases in which lands had not been transferred to the Public Works Department
during the period to which it refers, are included. This is incorrect. No compen-
sation is due until the land is actually taken up, and it is to show the progress made
in the payment of compensation due that this return is prescribed.
5. The fact stated in the Collector's letter, that in 560 cases payment has
been delayed from want of funds, will receive attention in the Public Works Depart-
ment.

(True Extract.)

(Signed) E. F. WEBSTER,
Secretary to Government.

From

The Superintending Engineer,
2nd Circle.

The Secretary to Government,
Public Works Department.

Sir,

I have the honor, with reference
to G.O. No. 1892 W of the 25th July last,
calling on me to submit a statement
showing the Compensation payable by the
Public Works Department in the Bellare
District, to report that the Executive Engi-
neer, Bellare Division has ascertained that
there are no claims against his Division
not settled for want of funds. The list
includes lands taken up for Local Fund
Roads, and the Buckingham Canal, some
years ago; the remark may be intended
to apply to these cases.

2. Captain Henderson further states
that he has recently received some Bills
