With advertence to Proceedings of Government, No. 2551, of 29th May 1882, I have the honor to inquire whether it is the intention of Government that Sergeant Donohoe should receive Sergeant's or Color Sergeant's rate of pay on promotion to the Unattached List.

2. Artificer Donohoe's receipts prior to promotion and the pay of Infantry Sergeant and Color Sergeant are as per margin.

3. Under regulation Color Sergeant's rate of pay is only admissible to those Sergeants on the Unattached List who are eligible for promotion to the Warrant grades in ordinary course. As this is not the position occupied by Artificer Sergeant Donohoe, this office has, pending the orders of Government, only admitted Sergeant's rate of pay.

With reference to the Controller of Military Accounts' letter marginally noted, B, dated 20th November 1882. the Secretary to Government, Military Department, is directed to request that it may be ascertained and reported, for the information of Government, what pay is passed to Sergeant * J. S. Joyce, Public Works Department, promoted to that rank, from being an Ordnance Artificer, in G.O.C.C. dated 8th November 1881.

No. 165. *From Lieutenant-Colonel M. C. PERREAU, Officiating Controller of Military Accounts, to Colonel E. L. HANKIN, Acting Secretary to Government, Military Department; dated 12th December 1882, G.*

Submitted in response to Military Secretary's memorandum, No. 6327, of 2nd November 1882.

The rate of Military pay quoted by the Public Works Examiner is that of Color Sergeant of Infantry *plus* compensation for rations (Rs. 8-9-3 per mensem).

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Controller of Military Accounts; dated Madras, 9th December 1882, No. 44-C.M.A.

In reply to your No. 3097, dated 23rd November 1882, I have the honor to state that Sergeant J. S. Joyce has been in receipt of pay and allowances at the rates noted below since his transfer to the Unattached List:—

No. 166. From Colonel R. A. MOORE, Acting Commissary-General, to Colonel E. L. HANKIN, Acting Secretary to Government, Military Department; dated Madras, 7th December 1882, No. 7754.

I have the honor to submit, for the consideration of Government, a petition † from Mr. Trutwein, Mechanical Engineer to the Madras and Bangalore Bakeries, praying that he may be promoted to the rank of Sub-Conductor on the grounds that, however long and however well he may serve in his present position, he cannot ever hope for any pension beyond that of an Artificer.

† Dated 6th September 1882.

2. A question regarding his pension was referred to the Controller, and he replied (letter O/397, dated 28th June 1880, to the Commissary-General) that, as "Mr. Trutwein continues to be borne on the strength of the Ordnance Artificer Corps while employed in your department, he will be entitled to a pension as an Artificer as per para. 18, page 362, of Pay Code."

3. Artificer D. Donohoe and Artificer Burke, Milling Engineers at Rangoon and Tonghoo, have been promoted to the rank of Staff Sergeant and have been transferred to the Unattached List; these men are therefore in a better position as regards pension than Mr. Trutwein, although the latter was a Second-class Foreman when he joined the department, whilst the other two only held the rank of Artificer in the same corps.

4. Mr. Trutwein was promoted to the rank of Foreman in the Gun Carriage Factory on 22nd May 1876, and, counting his service from that time as Foreman up to the present, he has been for six years and six months in a rank equivalent to that of a Non-commissioned Officer, but of this three years and one month only in the Commissariat.

5. The Junior Sub-Conductor Doughty served five years and ten months as a Staff Sergeant in the department before he was promoted, and I therefore do not consider Mr. Trutwein's claim to promotion into the Warrant grade is at present admissible, but I would strongly recommend that the same boon that was granted to Artificers Donohoe and Burke be extended to him, and that he may be appointed a Staff Sergeant from 19th June 1882 ‡

‡ *Vide* G.O.C.C., dated 19th June 1882, page 247. in order that he may not be superseded by those who were formerly his juniors.

6. Mr. Trutwein brought § with him an unexceptionable character from the Gun Carriage Factory, and since he joined the Commissariat he has done his work very well.

7. There is one other man—Dale, the Milling Engineer at Thayetmyo,—who is on the same footing, and who may put forward a claim for promotion and removal to the Unattached List.

8. I should be very sorry to stand in the way of any of these men, but, as they were brought into the department for a specific purpose, I trust that, what-

ever promotion Government may hereafter think fit to grant as a reward for good and faithful service, it may be clearly laid down that they are to be kept on for the Bakery Establishments, and are not to be placed on the same roll for general duty as the other Warrant and Non-Commissioned Officers of the department.

No. 167. Memorandum from Brigadier-General GODFREY CLERK, Adjutant-General, to Colonel E. L. HANKIN, Acting Secretary to Government, Military Department; dated Fort St. George, 18th December 1882, No. 212.

Forwarded with His Excellency the Commander-in-Chief's recommendation that Second-class Foreman C. Trutwein be promoted to Sergeant and transferred to the Unattached List with effect from the 29th May 1882, that being the date of the Order of Government, No. 2551, sanctioning the promotion to Sergeant and transfer to the Unattached List of Artificer Donohoe.

2. His Excellency concurs in the views expressed by the Commissary-General in paragraph 8 of his letter, that men of this class should be kept on the Commissariat Department for the Bakery establishments only, and not placed on the same roll for general duty as the other Warrant and Non-commissioned Officers of the department.

No. 168. With report from Controller of Military Accounts, 31st Jan. 1883, A.

No. 169. ORDER THEREON, 9th February 1883, No. 876.

The Right Honorable the Governor in Council sanctions the promotion of Foreman Trutwein, of the Carnatic Ordnance Artificer Company, now employed as Mechanical Engineer, Madras and Bangalore Bakeries, to the rank of Sergeant and his transfer to the Unattached List with effect from the 29th May 1882.

2. Referring to the decision of the Government of India in the case of the Master Tailor of the Lawrence Asylum, Ootacamund, His Excellency in Council resolves that Sergeants employed on the establishment of Government Bakeries shall not be eligible for promotion to the Warrant grades.

3. Under this ruling their rate of pay as Sergeants will be that of a Sergeant of Infantry.

4. This correspondence will be communicated to the Public Works Department, in view to its being decided whether Sergeant Joyce, Boat Superintendent, Godavari Eastern Division, is eligible for promotion to the Warrant grades of that department and to his Military pay as Sergeant being regulated accordingly.
