READ—the following letter from J. C. LARMINIE, Esq., Executive Engineer, Nilgiri Division, to the Superintending Engineer, Fourth Circle, dated Ootacamund, 30th November 1882, No. 242:—

I have the honor to enclose copy of a letter from Conductor Keenan relative to his transfer of charge of the Kandal brick-fields to Supervisor Serjeant Smith.

2. From this letter you will observe that there is a loss of Rupees 42, value of deficient firewood. That the loss is really more than this I shall presently show.

3. No doubt the past season was a most unfavorable one for brick-making,

tractor Mr. Abraham to Mr. Keenan. Regarding letter B, Mr. Keenan maintains that letter C exculpates him completely. I fail to see that this is the case, as letter C is quite vague. Mr. Keenan's letter No. 987 gives certain particulars regarding the amount of wood used and the deficiency to be adjusted. I shall now give actual figures and request your orders as to how the loss on the transaction is to be adjusted.
