My dear Colonel

Col. Sankey in his minute on C.E. Coll. para 3. states that European or Eurasian can be off to any post in the P.W.D. carrying more than Rs 200 per mensem. Can you give me the authority for this?

In H.O. Public Dep't

Dated 9 Aug '79 I find the principle enunciated, but is one of about half a dozen particular Special Exemptions.

No operation. The subsequent
orders have on the same subject
nos 209 and 192 of 15-7-81

do not interfere with this exemption.
None of these orders moreover
refer to the "pure Asiatic portage"

Will you kindly enlighten

The Secretary of State's order prohibiting the appointment of any person other than a native of India to appointments of Rs 200 or upwards is embodied in G.O. Public Dept - No 1228 (Printed in the) of 9 August - 1929 - It is there clearly enumerated that the term "Natives of India" shall include "any person born & domiciled within the dominions of Her Majesty in India, of parents habitually resident in India, & not established there for temporary purposes only" - All Europeans

& domiciled Europeans
 in India, ^{falling under the conditions named,} are therefore
 eligible for appointments
 (other than the excepted ones)
 of Rs 200 & upwards
 in this country.

The ruling referred
 to in paras 3 & 4 of Col
 Sankar's minute on
 the Civil Engineering
 College is apparently
 the letter from the
 Govt. of India received
 last year, declining
 to sanction the appt.
 of Messrs Ottomann &
 Ellis to the Engg Estab
 on the ground that
 no European or Eurasian
 could be apptd in
 this country to the Engg
Estab, & that such
 appts could only be
 conferred in India on

Origin.

These papers are
 now at Delhi (or
 rather on their way
 to Madras with the
 Govt. records, but
 it is submitted that
 the Govt. of India
 ruling applies strictly
 to appts on the
Engineering Estab,
 & not to Subordinate
 or non gazetted
 uncorrelated appts.

W. might perhaps
 be asked to recon-
 sider the above quoted
 paras of his minute
 with reference to
 the orders now
 put up.

We are all of course
