Nilgiri Division.

The Superintending Engineer,
4th Circle.

Sir,

It appears to me that the various works in this place would be much facilitated had we more bullocks of our own. At present there are seven pairs - Some time ago sanction amounting to Rs 270 was given to purchase two more pairs; one pair has been purchased and the other pair will be procured as soon as possible.

2. At present various works are delayed owing to private bandy owners holding out for abnormal rates of hire. The bandies we now have cost about Rs 1-4-0 per day. Private bandies cannot be had under Rs 2 per day and the owners are very capricious as to the amount of

G. O. No 1241 dt. 16th May 1882.

of work they will do for this rate of hire - The possession of a few more pairs of bullocks would render us to a greater extent independent. In addition to carting work there is the pugmill at Stone House Hill and the mortar mills at the Council chamber, Clerks Quarters and Government House to be worked. I have therefore the honour to request permission to purchase four more pairs of bullocks at a cost of about Rs: 540.

3. An Estimate for Rs 540 is submitted herewith.

Sir,

Enclosures 2
Estimates

I have the honor to submit an estimate amounting to Rs 630 for purchasing six more pairs of bullocks in the Nilgiri Division in addition to the present stock.

2 I have authorized the Executive Engineer to purchase the bullocks in anticipation of your sanction to the estimate, as it is very difficult to procure bullocks and carts especially for the works at Stone-house and the Post and Telegraph Offices.

3. An estimate of Rs 270 for purchasing six carts has also been received

received and sanctioned by me under Tools and Plant under para 297 of the P.W. Code.
