No. 126.

Read—the following papers:—

G.O., dated 13th November 1882, Mis. No. 442, Marine.

Read—the following endorsement of the Public Works Department, dated 31st October 1882, No. 1948 C., on letter from the Superintending Engineer, Sixth Circle, dated 27th October 1882, No. 1344 T.J.:—

I have the honor to request the favor of an early reply to this office letter No. 76 T.J. of 12th April last, forwarding for sanction an estimate, amounting to Rs. 540, for protecting, &c., the land face of the sand-spit at Negapatam for 1882-83.

2. Charges are being incurred in anticipation of sanction to the estimate, and I request therefore that the estimate may be sanctioned soon.

Endorsement.

Referred to the Marine Department for favor of early reply to this office No. 908 C., dated 22nd April 1882.

Order—dated 13th November 1882, Mis. No. 442, Marine.

A copy of the Master Attendant's letter, dated 10th May last, No. 3911, which should have been furnished in the first instance to the Public Works Department, will now be forwarded to that department for information, and the papers referred to therein returned.

ENCLOSURES.

Letter from the Master Attendant, Madras, dated 10th May 1882, No. 3911.

In returning the papers as per margin, referred to me under date 28th April 1882, I have the honor to state that I am respectfully of opinion that the peon and gardeners sanctioned in G.O., No. 22, dated 13th January 1882, should be utilized for the planting operations, &c., proposed without employing additional labor. The peon may well perform the duty of maistry, and the gardeners do all the cooly work required. It was with this object their appointment was asked for. With these remarks I beg to return the estimate forwarded for such orders as the Government may be pleased to pass thereon.

20TH NOVEMBER 1882, No. 3064 W., PUBLIC WORKS.

From Colonel J. BEATTY, R.E., Superintending Engineer, Sixth Circle, to the Chief Engineer, Public Works Department, dated Negapatam, 12th April 1882, No. 76 T.J.

I have the honor to forward for sanction an estimate, amounting to Rs. 540, for protecting and watering the land face of the sand-spit at Negapatam for the year 1882-83.

One Estimate.
,, Abstract Estimate.
,, Copy of Executive Engineer's letter No. 767, dated 27th March 1882.

2. The Executive Engineer explains the necessity for this estimate in the enclosed copy of letter forwarded for your information.

From Captain A. W. SMART, R.E., Executive Engineer, Negapatam Division, to the Superintending Engineer, Sixth Circle, dated Negapatam, 27th March 1882, No. 767.

I have the honor to submit for sanction the accompanying estimate, amounting to Rs. 540, for protecting and watering the land face of the sand-spit at Negapatam for the year 1882-83, and to request that you will be good enough to authorize the services of the coolies now working in it to be continued from 1st April next.

One Estimate.
,, duplicate/Abstract Estimate.

2. The Master Attendant has informed me that he has been authorized to employ two gardeners and a peon to look after the plantations. The plantation however is not yet in such a condition as to allow of our dispensing with the necessity of the estimate now submitted. In another year's time the two gardeners and peon will probably be found sufficient for the work then to be done.

No. 908 C.
