ENCLOSURE.

From J. C. LARMINIE, Esq., Executive Engineer, Nilgiri Division, to the Superintending Engineer, Fourth Circle, dated Ootacamund, 14th December 1882, No. 273.

I have the honor to bring to your notice the urgent need there is for the employment in this office of an extra Draughtsman (1st Class).

The estimates for almost every work now in progress, notably Post and Telegraph Office, Ootacamund, and Cinchona buildings, Naduvattam, will have to be revised. My Draughtsmen are at present engaged on plans and estimates for military works to be carried out next year. Calls for estimates for new works are being constantly received from various departments. It will be impossible to get through all the work there is to be done in time without some additional aid. I therefore trust you will be able to obtain sanction to the entertainment of an extra 1st-class Draughtsman on Rs. 50 per month for a period of four months.

No. 74.

ORDER—dated 9th January 1883, No. 63 W., Public Works.

Sanctioned, and an appropriation of Rs. 200 made from the Provincial grant for Temporary Establishment.
