GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

General.  
Account.

No. 174.

READ—the following letter from Lieutenant-Colonel R. C. STEWART, Officiating Quartermaster-General, to the Secretary to Government, Military Department, dated Fort St. George, 23rd February 1883, No. 1600 :—

With reference to Order of Government, Military Department, No. 2308, dated 15th May 1882, I have the honor to report that in September last the owner of the premises occupied by the 1st Light Cavalry demanded a rent of Rs. 60 per mensem, and insisted on vacation of the buildings if his demand was not complied from the 1st of October.

2. As an informal agreement has been entered into with him when the regiment went into occupation of the premises, it was hoped that under this his demand could be opposed, but this was found impracticable, and it only remained either to move the regiment out of the premises or to pay the enhanced rent.

3. As the value of the premises to Government was, in the opinion of His Excellency the Commander-in-Chief, so great as to make their retention at the enhanced rent more than desirable, sanction was given for the regiment to remain in them in anticipation of the approval of Government on the proviso that a formal agreement was obtained from the owner, which he could not later on repudiate with the object of obtaining a still higher rent.

4. This agreement \* having been received, I am desired now to submit the matter to Government, and to request that sanction may be given to the payment of the enhanced rent from the 1st October inclusive.

\* Herewith forwarded. Return requested.

5. I am to mention that the premises in question contain accommodation for places of arms, store-rooms, sick lines, &c., for the regiment, which are not likely to be provided for in new buildings for some time, and meanwhile not only are the requirements well met by the present buildings, but much is saved in the wear and tear of tents which would have to be used otherwise.
