Read—the following paper :—

G.O., dated 26th December 1882, No. 2242, Financial.

Read—the following letter from H. G. TURNER, Esq., Acting Agent to the Governor, to the Chief Secretary to Government, dated Vizagapatam, 27th September 1882, No. 689 :—

I have the honor to inform you that Sálúr is now very frequently visited by officials going to and from the hill tracts through the Pottinghy Ghât. There is no building there for such travellers. Sálúr being at the foot of the hills travellers are often obliged to stop there for some days to arrange for transport, and in returning from the hills a prolonged halt is required to enable the traveller to let his servants and baggage come up before proceeding further. But there is no building there to serve their purpose. With the unanimous consent of the Local Fund Board of the Vizagapatam Circle I consequently moved the Revenue Board to sanction the erection of a travellers' bungalow at Sálúr at an estimated cost of Rs. 4,520. But the application has been rejected on the ground that it is now the declared policy of Government to discourage saddling Local Funds with the cost of travellers' bungalows mainly intended for Government officials.

A bungalow is very necessary at Sálúr, being on the Jeypore route, probably more necessary there than at any other place in the district, and Government have recognized the need of bungalows along the route by sanctioning them at Pottinghy and Koraput.

I therefore strongly recommend that the Government will be pleased to sanction the construction of a bungalow at Sálúr from Provincial Funds. The plans and estimates prepared in the Local Fund Department have been forwarded to the Revenue Board, who will now be requested to submit them to you.

Proceedings of the Board of Revenue, Madras, dated 2nd November 1882, Miscellaneous No. 8409.

Order—dated 26th December 1882, No. 2242, Financial.

Approved and transferred to the Department of Public Works for consideration and disposal.
