on the following grounds
with pay of the Medical Servt
of this Office is disproportionately
low, as compared with the pay
of the Peons of the Secretariat
Office, vide Statement II.

(2) the Peons of this Office have
much rough work and ex-
posure when accompanying
the Chief Engineer for Irrigation
on his inspection tours, while
the present low rate of pay
affords no opportunity of
adequately promoting deserving
men.

The just and alternative
course would be in view
to the pay of the duffadar
from Rs 8 to Rs 10, and
of one Peon from Rs 7 to
Rs 8; it seems reasonable
