READ—the following paper:—

G.O., dated 5th December 1882, No. 3202 W., Public Works.

ABSTRACT.—The revised estimates, amounting to Rs. 92,920, for repairs to the Tanjore Palace Buildings, sanctioned with remarks.

ORDER—dated 23rd December 1882, No. 555, Political.

Communicated to the Government Agent, Tanjore, whose special attention will be drawn to the absolute necessity of providing that when the repairs now sanctioned are carried out, the palace buildings should be *kept* in a properly sanitary condition. It is hoped that the expenditure which has been, and will be, incurred may prove sufficient to remedy the principal defects indicated in Colonel Oakes's letter, dated 23rd December 1875, No. 2399, but it is obvious that nothing but the most direct and peremptory supervision can suffice to prevent a recurrence of the evils which have been rampant in these buildings from a remote period. The Right Honorable the Governor in Council commends the matter for the most careful consideration of the Government Agent.
