READ—the following letter from Colonel H. D. CLOETE, Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 19th February 1883, No. 883:—

In G.O., No. 2017 W., dated 8th August 1882, Public Works Department, a sum of Rs. 1,295 was sanctioned for a station-house at Honore, Bellary District, proposed to be executed by *departmental* arrangement in 1882-83. This sum the Superintendent of Police reports cannot be expended this year and is available for transfer. I have the honor to request the *early* sanction of Government for a transfer of Rs. 975 therefrom to Trichinopoly District for the construction, by departmental arrangement, of a station-house at Palaviratty, most urgently required in consequence of the original station-house at this place having been destroyed by an incendiary and there being no building available for the purpose at present. The Superintendent has arranged for the work and requires money immediately to commence it in anticipation of sanction.

2. The necessary detailed estimate, &c., will be submitted in due course for formal sanction, and the building will be constructed according to the sanctioned standard design. I have also the honor to request sanction, as a special case, for this arrangement.

No. 152.

ORDER—dated 22nd February 1883, No. 581 W., Public Works.
