Madras. 8<sup>th</sup> March 1883

My dear Monel Saukey

Bombay Hill.

I have to thank you for your letter of yesterday with copy of Govt order.

There is a little difficulty about my consent  
to the arrangement proposed in the fact  
that I am not prepared to submit professional  
work done by me for "the approval of the Govern-  
ment Solicitor," since it would be an admission  
on my part that Government ~~work~~ is justified  
in preferring another solicitor's opinion to mine.

The matter can be adjusted, either by my  
being authorised to place the preparation of the  
transfer in the hands of the Government Solicitor,

in which case the stamp, and other paper  
out of pocket, would come out of my commission,  
or, I am quite prepared to submit the deed  
prepared by me to the Advocate General, or  
the Government <sup>Pleader</sup>, these officers being both of  
Council. And if I have reason or sym-  
-tom of the title to be doubtful on any point,  
besides that on which I have already gone to  
the expense of the Advocate General's opinion,  
I am prepared to submit the whole title to him  
or to the Government Pleader.

I shall be obliged if you will let me know  
whether you can make the required change in  
the arrangement, in order that I may carry  
the matter through without delay.

I remain

Yours sincerely  
F. Katonelson.
