Superintending Engineer's Office

Madras, 8th December

From

The Superintending Engineer,
Madras.

To

The Chief Engineer,
Public Works Dept.

Sir,

Under G.O. No 2440 of the 20th September
Latrines for Prisoners, are no longer to be
constructed in connection with Sub Jails, the
sum of Rs. 1240 sanctioned for a Latrine in
connection with Deputy Sahsildar's Cacheri
at Alluru in the Nellore District is not re-
quired.

Estimate Rs. 6000
Sanctioned in G.O.
No 222 Wd/28th Aug
1874.

2. The same Estimate contains provision for
a Ryot's Shed to cost Rs. 1150. The Executive En-
gineer, Nellore Division has pointed out that
there are, close to the present Cacheri, two good
trees with pyals built round them for the

accommodation of parties waiting outside the
bazaar, and considers that the construction of
the proposed Ryots Shed is not, under these cir-
cumstances, necessary.

3. The acting Collector of Kolleru, Mr. Lee Warner
concurs in this, and considers the money could
be better utilised.

4. The amount available by the non-construc-
tion of these 2 outbuildings, viz. Rs. 2,590 can,
if the above proposals are accepted, be transfer-
red to other works, and is not required in this
Circle.
