READ—the following Proceedings of the Board of Revenue, dated 14th February 1883, Mis. No. 1238 :—

Read—the following letter from H. P. GORDON, Esq., Collector of Bellary, to the Secretary to the Board of Revenue, dated 3rd February 1883, No. 348 :—

The site at present used as a burial-ground by the residents of the village of Kuditiny, in the Bellary Taluk of this district, is situated on the north of the village on ground through which the road to the new railway station will pass.

2. It being desirable to remove the burial-ground to another site, a plot of about an acre has been selected on the south of the village in the vicinity of a place already used as a cemetery by a few persons, and the consent of the Local Fund Board has been obtained for the payment of the compensation, which may be settled eventually.

3. The owner of the land selected, however, objects to give it up for the purposes of burial, or to accept compensation.

4. It has been ascertained that no other land situated at a convenient distance from the village is available for the purpose.

5. I have the honor, under these circumstances, to request that Government will be moved to publish the declaration required under Section 6 of Act X of 1870, and to appoint the Temporary Deputy Collector to perform the functions of a Collector under the Act.

A draft declaration is enclosed.

ENCLOSURE.—Draft Declaration.

Resolution—dated 14th February 1883, Mis. No. 1238.
