No. 86.

READ—the following letter from Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Engineer and Secretary to Government, Public Works Department, dated Madras, 6th March 1883, No. 55:—

At the request of the Officiating Superintending Engineer, First Circle, I have the honor to forward, for sanction, a supplemental estimate, amounting to Rs. 570, for completing the Jail Constables' lines at Párvatipur.

2. The original estimate, amounting to Rs. 4,000, was sanctioned in G.O., No. 2454, dated 21st September 1882. The report attached to the estimate explains the necessity for submitting this supplemental estimate.

3. Early sanction is requested to enable the Engineers to complete the work within the present current official year.

No. 87.

ORDER—dated 12th March 1883, No. 799 W. Public Works.

The supplemental estimate, amounting to Rs. 570, for constructing Police lines at the Párvatipur Hill Jail, in the Vizagapatam Division, is sanctioned. The total amount of the estimate for this work will now stand at Rs. 4,570.

2. This sanction has been registered as Provincial No. 269 W. of 1882-83 in supersession of Provincial No. 114 of the same year and classified as Civil Buildings, Original Works.

Read—the following letter from Colonel T. E. TENNANT, Inspector-General of Jails, to the Secretary to Government, Public Works Department, dated Ootacamund, 11th September 1882, No. 247:—

The Inspector-General of Police brings to notice the necessity for providing accommodation for the men of the Police guard attached to the hill jail at Párvatipur, and informs me that his men are put to great inconvenience for the want of houses. I have therefore the honor to submit the accompanying plans, with estimates amounting to Rs. 4,000, for constructing lines for one head constable and fifteen constables, and to request that you will be so good as to obtain the early sanction of Government for the same.

One Site Plan.
One Plan of building.
One Detail Estimate.
One Abstract Estimate in duplicate.
One Report.
One Specification.

2. When at Párvatipur early in the year I selected a site for the jail constables' lines as shown on the site plan. I think it is desirable to give a basement of 1 foot 6 inches to the huts, and I would suggest that the walls be built with mortar to the height of 3 feet from the basement to prevent the white-ants passing up the walls into the wood-work. The wood-work ought to be protected with tar which does not appear to be provided for in the estimate.

3. The sum of Rs. 30,000 is entered in the budget for the construction of the district jail at Kurnool; the Officiating Superintending Engineer, Bellary, informs me that as nearly half of the official year is over the full amount could not be spent even if the estimates for the Kurnool Jail were at once determined on and sanctioned. I therefore have the honor to request that the sum of Rs. 4,000 may be transferred for the Párvatipur Jail Police lines, from the allotment of Rs. 30,000 entered in the budget for the Kurnool District Jail.

No. 175.

Order—dated 21st September 1882, No. 2454 W., Public Works.

The estimate, amounting to Rs. 4,000, for constructing police lines at the Párvatipur Hill Jail, Vizagapatam Division, is sanctioned for early execution.

2. The necessary funds are provided by transfer from Item No. 2, "New District Jail at Kurnool," in the Convict Labor Fund Budget for the current year.

3. The suggestions of the Inspector-General of Jails in paragraph 2 of his letter will be carried out by the Superintending Engineer.

4. This sanction has been registered as Provincial (Convict Labor Fund), No. 114 W. of 1882-83, and classified as Civil Buildings, Original Works.
