

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter

from the Inspector General of Police dated 29th
January 1883 N^o 485 recommending Govern-
ment to sanction an advance of Rupees 2,000
required for the purpose of providing & suitable
accommodation to the Supdt. of Police Annam-
pore under the circumstances stated.

Read also letter from the
Collector of Annamapur dated 26th February
1883 N^o 117.

I have addressed the Executive
Engineer, Bellary regarding the house etc.
accommodation needed here the provision
of which, I trust may not be delayed
for want of sufficient allotments.

Order thereon 9th March 1883 N^o 692

The Government observe that
the expenditure of sum far above that
mentioned

mentioned by the Inspector General of Police,
would be necessary, to render the house re-
quired even habitable, and under the cir-
cumstances reported they are unable to
sanction the advance suggested.

2. The Collector appears to have
made definite proposals, as to the house
accommodation necessary in Mantapur,
and the Superintending Engineer will
be requested in the Public Works Dept.
to expedite the submission of the general
scheme called for in G.O. N. 56 W. dated
8th January 1882.
