No. 135.

READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, Sixth Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 10th July 1882, No. 627 T.J.:—

I have the honor to submit, for sanction, a revised estimate, amounting to Rs. 2,100, for extending the District Munsif's Court-house at Negapatam.

1 Abstract Estimate.
1 Comparative Statement.

2. The present estimate is in lieu of the one for Rs. 1,900 sanctioned in G.O., No. 3478 W., of 2nd September 1878, and the cause of the excess, viz., Rs. 200, over the original estimate is chiefly due to the substitution of brick in chunam for brick in clay in the walls, and to the introduction of a truss considered indispensable in the roof of the property-room.

3. The necessity for the substitution of brick in chunam for brick in clay is that the former material stands the sea air better than the latter, and the introduction of a truss is found necessary owing to the roof originally proposed being unsuitable to the property-room. The roof originally proposed consists of hip rafters about 32 feet long, one portion of which, 20 feet long, was entirely unsupported.

4. Cut-stone has been substituted for brick in chunam in the steps leading into the building.

5. The estimate has been countersigned by the District Judge, and I request that the excess amount, viz., Rs. 200, may be allotted, the amount of the original estimate, Rs. 1,900, having already been allotted in G.O., No. 1209 W., of 12th May 1882.

No. 136.

ORDER—dated 22nd July 1882, No. 1882 W., Public Works.

The revised estimate, amounting to Rs. 2,100, for extending the District Munsif's Court-house at Negapatam, is sanctioned.

2. The excess of Rs. 200 over the estimate for Rs. 1,900, sanctioned in G.O., No. 3478 W., dated 2nd September 1878, is explained in the Superintending Engineer's letter above recorded.

3. The sum of Rs. 1,900 has already been allotted for this work in G.O., No. 1209 W., dated 12th May 1882, and the balance required to complete is appropriated from the Provincial Reserve.

4. This sanction has been registered as Provincial No. 61 W. of 1882-83 and classified as Civil Buildings, Original Works.

No. 1733 T.J.

Report by Superintending Engineer on Supplemental Estimate for improving the District Munsif's Court-house at Negapatam.

In G.O., No. 1882 W., dated 22nd July 1882, an estimate for Rs. 2,100 was sanctioned for improvements to the District Munsif's Court-house; these improvements consisted of additions to the clerk's, the property and record rooms. The estimate was approved of by the Civil and Session Judge and supposed to allow for all that was required.

1 Abstract Estimate.
1 Do. for Examiner.

2. In letter No. 484, dated 29th November 1882, the Civil and Session Judge forwarded to the Superintending Engineer a letter from the District Munsif suggesting certain improvements consisting in the removal of two pillars, the alteration of the roof and the addition of a tiled porch, and the estimate now forwarded, amounting to Rs. 1,000, supplemental to the original estimate, Rs. 2,100, allows for these improvements.

3. The Superintending Engineer considers the proposal would be a great improvement to the Court-house, although they are not absolutely necessary.
