From

Lt Col H. P. Mead R.E.

Sup^r Engineer Circle.

To.

Colonel J. D. Hastad R.E.

Chief Engineer for Engrs

Sir,

I have the honor to bring to your notice that in G.O. No 1494 dated 15th January, sanction was given for a revised scale of conservancy establishment for Tanjore district amounting to Rs 1235 in lieu of the former one of Rs 808½.

2. In the order no date was named for the entertainment of the new establishment but I presumed it was from the 1st March and that the increased pay would be provided for in the budget for 1883-84.

I find however in the Preliminary issue of the Provincial Budget for 1883-84

pages 32, 33 & 36 only the old scale amount-
ing to Rs 808 1/2 a month has been
provided.

3. I have to request that I may
receive sanction to entertain the estab-
lishment on the increased scale
at once as making the changes will
take some little time and it is im-
portant that the new men should
take up and become acquainted with
their duties before the freshes come
down the rivers.

I have the honor to be

Sir

Your most obedient servant.

M. M. Geo. W. C.

Supt. Engineer, Sindh.
