No. 93.

READ—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Chief Engineer for Irrigation, dated Dowlaish-weram, 22nd January 1883, No. 2535 G.D. :—

I have the honor to submit, herewith, a tabular statement drawn out in the prescribed form for an increase * of establishment under Water Regulation for the Godáviri District.

* Two lascars.

2. Colonel Mullins, during his inspection † of the Central Division in 1877-78, thought it necessary to entertain these lascars, and the subsequent experience has convinced me of the absolute necessity of their appointment.

3. I propose to entertain them from the 1st April next, and trust that you will see fit to obtain the sanction of Government to the same.

4. These lascars were not included in the Budget List (Irrigation) for 1883-84 already submitted to you, as the subject escaped my memory at the time of the preparation of the budget.

No. 12 E.W.

Forwarded to the Chief Engineer, Public Works Department, with a recommendation that the appointment of two lascars required for the Godávári Central Delta may be sanctioned.

CHEPAUK,
9th February 1883.

2. This sanction has been registered as Provincial No. 59 W. of 1882-83 and classified as Establishment.
