

It is requested that in any further communication on this subject may be addressed to.

The Under Secretary of State
for India
India Office
London
S. W.

India Office
August 1881

Sir,

The satisfactory completion of your course of study at the Royal Indian Engineering College having been duly reported to this office, the Secretary of State for India has been pleased to appoint you to the Engineer establishment of the Indian Public Works Department as an Assistant Engineer, Third grade, with effect from the 23rd September 1881.

Your further employment and advancement in the Service of the Government will be determined according to the usages and regulations of the Public Works Department in India; to the rules and regulations of which Department, for the time being, as laid down by the Indian Government, you will be subject.

Your claims to leave furlough and pension will be determined by the regulations laid down by the Government.

of India, and made applicable to their Civil Engineers; such regulations being subject to any modifications or alterations which may be made in them from time to time by the Government of India, and their interpretation in case of any doubt arising being left to that Government. Your service for furlough and pension will be held to begin from the date of your appointment, viz the 23rd September 1887.

In the event of misconduct on your part, you will render yourself liable to dismissal from the service, with forfeiture of all claims to pension or other penalty, in accordance with the usages and regulations of the Public service.

In the event of your being
compelled by ill health, certified to the
satisfaction of Government, to quit the
service of the Government of India
within the period of ten years from the
date of your first appointment to the
service, you will be furnished with
a first class passage back to England
at the public expense, provided that
you avail of yourself of it within three
Calendar months of your leaving
Government employment.

Sam L.
