Read—the following Proceedings of the Board of Revenue, dated 15th March 1883, Mis. No. 2345:—

Read—the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated 12th March 1883, No. 955:—

Adverting to G.O., dated 1st February last, No. 361 W., Public Works, allotting Rs. 22,000 for the purchase of the Brennen property, and directing me to arrange so that the grant may be utilised within the official year, I have the honor to submit herewith a copy of the Administrator-General's letter, dated 6th instant, and to request the Board will be pleased to arrange the matter in the way suggested by that officer if it meets with their approval. The money could probably be paid in Madras to the Administrator-General direct.

2. As the sanction will lapse this month, and the Executive Engineer, Coimbatore Division, has asked me to complete the transaction before the 25th, I beg the Board will communicate their orders by wire, addressed to the Treasury Deputy Collector, as I am proceeding on circuit into the Walawanád Taluk.

Enclosure.

From M. GOULD, Esq., Administrator-General, to the Collector of Malabar, dated Madras, 6th March 1883.

Re Edward Brennen.

I have the honor to acknowledge the receipt of your letter of the 1st instant, No. 791, and in reply to inform you that I have not as yet received the sanction of the Court of Chancery for the sale of the Brennen property. But I received this morning a telegram, dated London, 5th March, from Mr. J. F. Chance, Assistant Solicitor, London, in the following words:—

"Master approves sile; Court must confirm; will take footnight."

The words "sile" and "footnight" are manifestly clerical errors for "sale" and "fortnight."

As you inquire of me whether anything further could be done at present to facilitate the speedy completion of the transaction, I think the best thing to be done under the circumstances is that the sale should take place without further delay. That is to say that I should deliver over possession of the property to you, and that you should pay me the purchase money, thus effecting the sale before the 31st March instant, I undertaking to execute the deed of conveyance immediately on receipt of the confirmation order of the Court, and the requisite power of attorney from Mr. Chance, and also undertaking not to part with the purchase money until the deed has been executed.

Resolution—dated 15th March 1883, Mis. No. 2345.

Submitted for the orders of Government.

2. The Board recommend that the arrangement proposed be approved and sanction accorded for the disbursement of the purchase money to the Administrator-General on the conditions suggested by him.

The papers seem to have got mixed up in the original references which it was intended to send to the Collector and those respecting the Despatcher's note. I have warned the Despatcher to be more careful.

Among the papers returned are the plans which the Board asked for yesterday. These were really intended for the Collector. But it is proposed to send them to the Board now with a request that they may be transmitted to the Collector when done with.
