Telegram, dated 3rd March 1883, from Secretary to Government of Madras.

Resolution—

No revenue is expected. All revenue which was formerly classed as Imperial, Other Services, has become Provincial under the provincialization scheme from the commencement of 1882-83.

EXPENDITURE.

2. The Budget Estimate of 1883-84 has been prepared for the provisional grant sanctioned by the Government of India, and the Revised Estimate of 1882-83 for the modified grant to date. The figures are shown below:—

3. The Budget Estimate of 1883-84 should, however, be increased by a sum of Rs. 12,150, subsequently sanctioned in Public Works Department letter, No. 416 A.—G., dated 23rd December 1882, for the opening and closing of the Ennore and Covelong bars. This amount includes the usual percentages for Establishment and Tools and Plant. The final issue should therefore be prepared for a total, in round numbers, of Rs. 2,62,000.

4. The distribution given of the Revised Estimate of 1882-83 has not been altogether correctly made; and the Madras Government has subsequently surrendered a sum of Rs. 88,595 as detailed in the margin. The correct amount of the Revised Estimate and its distribution should therefore be as shown below for a round sum of Rs. 2,28,100 :—

	Rs.
Post and Telegraph Offices	26,145
Salt and other works	12,450
As per telegram of 3rd March, details not intimated	50,000

Total for works and repairs	1,83,200
Establishment at 23 per cent.	42,150
Tools and Plant at 1½ „	2,750
Total ...	2,28,100

5. In the Budget Estimate figures for 1882-83, the amounts for Original Works, Civil Buildings, "not commenced," and Tools and Plant, have been wrongly quoted at Rs. 41,349 and Rs. 3,785. The correct figures are Rs. 38,826 and Rs. 6,308 respectively.

6. With these remarks the Budget Estimate is passed, but it must be clearly understood that the authorizations herewith given are not on any account to be held to warrant expenditure being incurred until detailed estimates have been duly sanctioned by competent authority. The strictest adherence is necessary to the rules in force in regard to the financial regularity of departmental work.
