NOTE OF REMARKS.

1. The accompanying estimate for Rs. 1180 is but the sum total of the prices of various tools supplied by the Genl. Sup^{ts} P.W. Workshop Madras, plus Rs 44 for railway and other contingent charges.
2. On a comparison being made between the prices of tools as put down in estimate and shown in 'P.W. Workshop Price List' it is observed a marked difference exists in some cases. This, doubtless will be easily explained as the 'Price List' used in the comparison is that of April 1879—the one last supplied to this office.

* Vide Genl. Sup^{ts} explanation on the back of Engr 1862.
