No. 121.

READ—the following letter from Lieutenant-Colonel W. H. BURTON, R.E., Officiating Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 11th May 1882, No. 470 :—

One original letter.

In G.O., No. 575 W., dated 6th March 1882, it was directed that no steps need be taken for the formation of a new sub-division in South Arcot, for which an office establishment was sanctioned under the head "Temporary" in G.O., No. 3054 W., dated 9th December 1881. I have now received a letter from Major Smith, R.E., the Executive Engineer of that division, in which he brings forward very forcibly the necessity of forming an additional sub-division, and as Major Smith considers that the withdrawal of the sanction given in G.O., No. 3054 W., of 9th December 1881, was the result of a misapprehension, I forward the letter* for orders. I have only to remark, with reference to paragraph 15 of this letter, that Major Smith's letter, No. 322, dated 7th May 1881, had reference to the additional establishments required for the division consequent upon the new classification† of irrigation works to be retained by the Public Works Department. It was written upon Circular No. 46 G., of 1st October 1880, of the Chief Engineer for Irrigation, and was forwarded to that officer with the Superintending Engineer's (former Third Circle) letter, No. 174, of 25th May 1881, but no orders appear to have been passed on that letter.

2. The present head-quarter sub-division comprises the five taluks of Cuddalore, Tindivanam, Villupuram, Tiruvannámalai, and Tirukoilúr, and it is now urged by the Executive Engineer that a new sub-division should be formed out of this—of the taluks of Tindivanam, Tiruvannámalai, and Villupuram —for the very valid reason that it is impossible for one officer to exercise proper check and supervision over the numerous works in the five extensive taluks which now constitute the head-quarter sub-division, in addition to the duties devolving on him as Executive Engineer of the whole district.

3. If the proposal is sanctioned, the division will be divided thus :—

Cuddalore Taluk	Head-quarter Sub-division.
Tirukoilúr do.	
Tindivanam do.	Tindivanam do.
Villupuram do.	
Tiruvannámalai Taluk	
Chidambaram do.	Chidambaram do.
Vriddháchalam do.	
Kallakurchi do.	
Pelandorai Anicut Works	Pelandorai Sub-division temporarily until the works are completed.

* No. 308, dated 20th April 1882.

† G.O., No. 284 I., dated 5th May 1880.

No. 122.

Order—dated 22nd May 1882, No. 1289 W., Public Works.

Under the circumstances now stated, the sanction accorded in G.O., No. 3054 W., dated 9th December 1881, to the formation of an additional sub-division in the South Arcot Division will hold good, and the Superintending Engineer is authorised to make arrangements accordingly.

No. 160.

Read—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 20th June 1882, No. 1059 :—

With reference to your Circular memorandum No. 784 C., dated the 3rd April 1882, I have the honor to report that the Executive Engineers have made the following representations regarding their office establishments :—

The Executive Engineer, Buckingham Canal, is satisfied.

The Executive Engineer, Chingleput, is satisfied, provided he keeps the two additional clerks entertained as temporary and as sanctioned in G.O., No. 804 W. of 27th March 1882.

2. The Executive Engineer, South Arcot, considers his establishment to be very inadequate to cope with the current and accumulating mass of office work ; and he refers to six letters written by him between January and November 1880. The demand made by Major Smith is for the following additional hands for his office :—

2 Clerks.
1 Draughtsman.
1 Cashier.
1 Muchi.
2 Lascars.

For the Chidambaram Sub-division additional—

1 Clerk.
1 Draughtsman.
1 Cashier.

For the Tindivanam Sub-division additional—

1 Clerk.
1 Draughtsman.

3. In the Chidambaram Sub-division there is at present a temporary establishment of—

1 Clerk.
1 Draughtsman.

Also for the Pelandorai works—

1 Clerk.

So that for the present sufficient provision is made.

4. The Executive Engineer of the Presidency Division represents that he cannot keep pace with the demands made upon him, and asks for extra strength of—

2 Draughtsmen (one for Madras, one for Bangalore).
2 Clerks }
1 Muchi } for his own office.

5. The two Executive Engineers write strongly, pointing out that they have constantly a number of plans and estimates in preparation and that arrears gain ground although their establishments work to the utmost. The demands however appear to be greater than are likely to meet with acceptance, and I presume that any increased strength must be for the present "temporary."

Hence I would recommend that, in addition to the temporary establishment of the Chidambaram Sub-division, there might be given to the Executive Engineer of the South Arcot Division—

1 Clerk	Rs.	20
1 Cashier	,,	35
1 Draughtsman	,,	20

and to the Executive Engineer of the Presidency Division—

1 Clerk	,,	20
1 Draughtsman	,,	20

No. 161.

ORDER—dated 20th September 1882, No. 2441 W., Public Works.

The following temporary establishment is sanctioned for the Fifth Circle :—

	RS.
South Arcot Division.	
1 Clerk, 4th Class, 3rd Grade	20
1 Cashier ,, 2nd ,, ...	30
1 Draughtsman, 3rd Class	20
Presidency Division.	
1 Clerk, 4th Class, 3rd Grade	20
1 Draughtsman, 3rd Class	20

2. The sanctions will expire at the close of the official year, unless renewed on further explanation of the necessity for their continuance.

3. The Superintending Engineer will report the exact sum to be allotted.

4. These sanctions have been registered as Provincial No. 35 W. of 1882-83, and classified as Establishment.
