READ—the following paper :—

From the Executive Engineer, Kurnool Canal Division, to the Superintending Engineer, Third Circle, dated 18th December 1882, No. 554-78 S.E.-III.

In bringing to your notice that the sanction accorded in G.O., No. 582 I., of 27th July 1882, and G.O., No. 804 I., of 12th October 1882, to the establishment for the audit of traffic accounts, lapses on the 1st January 1883, I have the honor to state that, in order to close these accounts and compile the returns connected therewith, it will be necessary to appoint a temporary clerk for a further period of two or three months.

As the present traffic audit clerks have been transferred to the regular clerical establishment of the division with effect from the 1st January 1883, I propose to keep on P. Ruthnam Pillay, lately an Accountant in the Chief Accountant and Government Auditor's Office, for three months

* The present establishment as sanctioned in G.O., No. 582 I., consists Rs. 75 as follows:—

	Rs.
1 Accountant	35
1 Clerk	25
1 Do.	15
	75

on a salary of Rs. 50* per mensem (Rs. 70 was the amount proposed by the Deputy Examiner of Accounts on his recent inspection of the division for a good clerk to be in charge of traffic accounts, vide G.O., No. 2753 W., of 23rd October 1882).

P. Ruthnam Pillay has much experience in this kind of work, and was in charge of the traffic accounts in previous years under the Chief Accountant of the Company, and as it is very necessary that these accounts should be closed satisfactorily, I have the honor to request that you will obtain the sanction of Government to his temporary appointment at an early date.

There will be savings in the estimate of establishments of this division for this year.

No. 1747.

Endorsement on the above.

- Submitted to the Chief Engineer for Irrigation with the request that sanction may be given to the employment of a temporary clerk on Rs. 50 per mensem for three months, from January to March 1883, for the closing of the traffic accounts.
