From

Major S. C. Clarke. R. E.
THE SUPERINTENDING ENGINEER,
IIIrd CIRCLE,

To

THE Chief Engineer
P. Works Dept.
Madras.

SIR,

Enclosures.

Having been given to understand that there is every probability of the Military Works branch being extended to the Madras Presidency - I have the honour to request you will be good enough to support this my application for one of the Executive posts, according to my seniority.

I regret I am

unable to shew that I have had
any special experience in the
art of constructing Military Works-
but I hope that my 20 years'
Service in the Mysore and Madras
P.W. Dept would be a sufficient
guarantee of my being capable
of undertaking any such
class of work.

I have the honour to be
Sir,
Your most obedient servant

Robert Major R.E.
