GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from W. R. CORNISH, Esq., F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Secretary to Government, Public Works Department, dated Madras, 9th April 1884, No. 185:—

I have the honor to forward, for the orders of Government, the accompanying letter from the Superintendent, Madras Lunatic Asylum, relative to the want of repairs to the buildings.

2. Last week I inspected the buildings, and, in my opinion, the whole of them should be periodically surveyed as to petty repairs. At present a good deal is wanted in the way of petty repairs to the various cottages, lime-washing, painting, &c., to keep the buildings in a satisfactory state.

ENCLOSURE.

From Surgeon-Major S. L. DOBIE, Superintendent, Government Lunatic Asylum, Madras, to the Secretary to Surgeon-General with the Government of Madras, dated 5th April 1884, No. 16.

I have the honor to inform you that in July 1883, I applied to the Executive Engineer, Presidency Circle, for general repairs to the Asylum buildings, stating that they had been sanctioned in G.O., No. 417, dated 8th March 1882.

2. In November 1883 I reported that the roofs of most of the cottages leaked, and that many of the iron doors required refixing; also that all the subordinate officials' houses leaked.

3. In January 1884 I reported that part of the wall of the female enclosure had fallen down.

4. Early in March I wrote urgently about a cottage in the female enclosure and requested that it might be repaired at once.

5. These general repairs and the rebuilding of the wall have not yet been carried out.

ORDER—dated 18th April 1884, No. 1005 W., Public Works.

Communicated to the Superintending Engineer, V Circle, who will issue instructions for the early execution of necessary repairs at the Madras Lunatic Asylum; and report upon the delay which is stated to have occurred in carrying out the same.
