Items 1243 The permanent Ancient Superintendent Varsimuloo Naidoo was employed on the Canal in place of Temporary Supervisor Cunnappa Moody whose services were dispensed with in December 1883 and in his place the Acting appointment was made by the Executive Engineer.

Item 4. This individual was removed from service on account of his physical unfitness; but was again appointed to act for one month only, for this reason that no other man could be found for the appointment at the time.

Item 5. Pronounced physically unfit and hence services dispensed with. Sanction required for the admission of pay for the period he was actually employed.

Item 6. An unpassed Candidate employed as substitute on 12/10 during the absence of the permanent incumbent on sick leave. Services of a passed Candidate are not procurable for a temporary appointment of this sort and on small pay. Moreover a passed man who has no experience would be of very little use in a Sub Division Office.

I have the honor to be,

Sir

Your most obedt servant.
