Dowlaishweram Workshops

Sanctioning the appointment of a second foreman for the — on Rs. 130 per mensem.

No 300 Government Workshop office
Dowlaishweram
23rd November/83
24th Despatched

From
The Executive Engineer
incharge Government Workshops
Eastern Division Godavari

To
The Superintending Engineer
1st Circle.

Sir

With reference to your letter No. 1747 dated 4th October 1881, to the Chief Engineer, and G. O No. 2657 W, dated 29th October 1881 thereon, I have the honor to point out that the work in the shops here has very much increased during this and last year. I have reported in my letter No 180 dated 25th August/83 that the anticipated out turn from the Workshop this year will be Rs 1,25,000-

2 Besides the large amount of

of work required for the three Divisions in this District, work is being done for Ganjam, Vizagapatam Divisions, for three Divisions in the Kristna and for Tanjore and the Buckingham Canal.

3 It is perfectly impossible that Mr. Bennett can do all the work that he is expected to do, and I request that the appointment of a foreman be again sanctioned.

4 I would recommend his being an artificer from the Gun Carriage Factory and that his pay should be Rs 100, in addition to his military pay.

5 The qualifications that should be insisted on, are, knowledge of telugoo, of general fitter's work and carpentry, and if possible the man should know rivetting and Foundry work.

6 I request that you will apply to Government to sanction the appointment.

I have &c &c &c.

(Signed) C. C. Rawson Captain R.E

Executive Engineer

DOWLAISHWERAM, 24 Decr. 1883.

Despd. 29-12-83

SIR,

I have the honor to enclose copy of a letter from the Executive Engineer in charge of the Eastern Dn. Godavari and to strongly support his recommendation for the employment of an Overseer in the Dowlaishweram Workshops.

4

2. Up till 22nd December 1879 when Lieutenant Joyce left, there used to be for the higher supervision of the Shops (besides the Executive Engineer who was called the "Superintendent,) a "Deputy Superintendent" on Rs. 200 civil and Rs. 180 Military pay and an Overseer on Rs 100 Civil and Rs. 80 Military pay.

3. For sometime after Lieutt Joyce left, till lately, the work in the Shops was comparatively small and it was found possible for one Subordinate to discharge the duties which used to be those of the Deputy

Superintendent & Overseer.

4. The work has of late however greatly increased not only on account of the large amount of work under Capital Productive Public Works to be done in the Godavari District, but because much work is also sent to these shops from the Kistna, Buckingham Canal, and Tanjore, Districts & it is no longer possible to do without further special supervision.

5. My views on the subject of such supervision will be found in my* letter 191 printed with P. M. G. 116 W. of 16-1-80 but as it has been found, it is said, impracticable to* carry out those views we cannot I think do better than fall back on the recommendation made by the Executive Engineer in the enclosed letter.

*when Ex. Engr. in ch. of the Dowlaishwaram Workshops

* not communicated from Office

AL
5/1/84

6. It will be quite useless to send any man for the place who is not a practical artificer.

I have the honor to be,
Sir,
Your most obedient Sr.

C. Walch

Forwarded to the Chief Engineer P. W. D. with a recommendation that the appointment of a Second Foreman for the Dowlaishweram Workshops on Rs 130 per mensem may be sanctioned.

2. The pay of the appointment is chargeable to the Workshops, and as the service of Mr J. S Joyce can count for pension under G. O. Nº 3089 dated 7th December 1871, it will not be necessary to allow him a lien on his present appointment
