1 Estimate for Rs 655,
in duplicate

Sir,

I have the honor to forward
herewith for your approval and the sanc-
tion of Government, an Estimate for Tools
and Plant New Supplies Purchase of 1000
feet of $\frac{3}{4}$ " Chain.

2. In February last the Executive Engi-
-neer sent me an Estimate for the purchase
of this Chain amounting to Rs 330. This
was duly sanctioned, but the Executive
Engineer now explains that by some
mistake the rate for $\frac{1}{2}$ " Chain was entered
in the Estimate.

3. As the $\frac{3}{4}$ " Chain had been ordered,
it had to be paid for before sanction
of the Estimate.

4. Under the circumstances explained
