NOTE OF REMARKS.

1. The accompanying is a revised estimate, with plan, for roofing the swimming bath in Government House at Guindy. The amount of the revised estimate is Rs. 2,650 — Rs. 1,960 in excess of the original, Rs. 690, which was sanctioned in G.O. No. 3191 W of the 12th Nov./83.

2. From such explanation as has been furnished it appears the original estimate was prepared before the setting in of the last monsoon, when certain woodwork (a ridge pole is mentioned) and an arch were deemed

of demands on the reserve.

4 This

sound and capable of
contributing support to
the intended new roof,
since the monsoon how-
ever, it has been discovered
that 'woodwork' and
'arch' were unsafe, and
would not prove equal
to the weight they would
have to bear - and this
discovery has led to the
submission of the present
revised estimate.

3. The plan and revised
estimate have been counter-
signed for the Military
Secretary.
