READ—the following letter from Colonel G. CHESNEY, Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 10th April 1884, No. 360 M.W.:—

In reply to your endorsement, No. 461 W., dated the 20th February 1884, I am directed to convey the sanction of the Government of India to the estimate, amounting to Rs. 12,930, for constructing barracks for a detachment of native infantry at Ootacamund, but I am to remark that the estimate appears high.

2. As regards the provision of funds, I am to state that the Government of India are unable to make any additional allotment on account of this work during the current year. If, therefore, it is desired to commence the work at once, it will be desirable that the funds required should be provided by re-appropriation.
