fulfilling the conditions of G.O. No 1055

Letter from G. D. Leman Esquire,
Collector of Coimbatore to E. Gibson Esquire,
Secretary to the Board of Revenue, Madras
No 451 & 29 February 1884.

With reference to G.O. F.R., Misc No
2,889 of 18th December 1883 Communicated
With Board's Proceedings, No 11,021 Misc of
20th Idem, I have the honor to submit
for the information of Government a copy
of the reply of the Executive Engineer.

2. In my letter No 34 of 24 November 1883 I reported that to carry out the alterations to make the present Treasury into a strong room it was necessary that I should remove the cash to some other room and that I had chosen the most convenient place in the same building

and had made it as secure as possible and I asked for the special permission of the Government to use it because it is not a strong room as defined by the Supreme Government and cannot be made one.

3. I hope this will be given now
for there is no where else to put the Treasury.
The roof of the old building is off and
it will not be rebuilt for 3 months at least.

Order thereon 14 April 1861 No 792

Enclosure 1.

Letter from the Executive Engineer,
Coimbatore Division, to the Collector of Coimbatore,
No 253 & 21 February 1884.

In reply to your letter No 125 of 3rd
January 1884, I have the honor to state
that the room now used as a room for storing
treasure is not a strong room within the
meaning of G.O. No. 1055 W of 28 April 1882—
the conditions laid down in that G.O. as being
necessary, not being fulfilled.
