GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following letter from A. J. L. CAPPEL, Esq., Director-General of Telegraphs in India, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 29th June 1883, No. 797 :—

With reference to the allotments for Minor Works, Telegraph, in the grants annually made by the Government of India in its distributions of the Imperial Public Works Grant for Other Services, I have the honor to submit, for the consideration of the Government of Madras, that the Bengal Government places the whole allotment at my disposal and furnishes me with forms (of which I enclose a copy) for intimating to Superintending or Executive Engineers and the Examiners of Public Works Accounts the manner in which I deal with the balances.

2. This plan not only saves needless correspondence but enables me to economise the grants, and I have therefore the honor to enquire if it may be introduced with regard to "Minor Works, Telegraph," in the Madras Presidency.

Order—dated 20th July 1883, No. 2007 W., Public Works.

The Government have no objection to the introduction of the system proposed by the Director-General of Telegraphs in India, and accordingly place the Minor Works Grant for 1883-84 under Telegraphs, amounting to Rs. 6,250, at the disposal of that officer.

2. The same course will be followed in future years with respect to the balance of grant remaining after providing for incomplete works of previous years.

3. To admit of the books of the Public Works Secretariat being properly posted, the Director-General of Telegraphs will be requested to intimate to this Department as well as to Superintending Engineers and the Examiner, Public Works Accounts, all appropriations made by him for Minor Works in the Madras Presidency.

4. The Director-General of the Post Office of India is requested to state whether he would desire the adoption of a similar course with regard to the grant for Minor Works under Postal.

Resolution—

The demands for 1884-85 for Imperial Works other than Military, Irrigation and State Railways are compared below with the assignments for 1883-84 :—

	Demand, 1884-85.	Provisional Assignment, 1883-84.
	RS.	RS.
Madras	1,43,562	2,49,500
Bombay	5,27,000	2,10,031
Bengal	14,67,800	11,26,222
North-Western Provinces and Oudh ...	3,00,600	1,74,400
Punjab	1,32,700	80,300

Simla Imperial Circle	9,60,450	10,36,700
Total ...	55,79,599	42,77,062

2. It is observed that the demands for the ensuing official year exceed the total assignment made for 1883-84 by Rs. 13,02,537, whereas financial requirements render it absolutely necessary that the grants to be made for Civil Buildings, Roads and

Services during 1884-85 should *not*, with the amounts to be held in reserve for expenditure in England and for emergent unforeseen requirements during the year, exceed Rs. 50,93,450 in the aggregate. Some of the demands made must therefore be reduced, and in this view the reductions shown in the following table are made :—

—	Demands, 1884-85.	Provisional grant, 1884-85.	Difference (+ or —).
	RS.	RS.	RS.

Harnai Road (Biluchistan)	...	5,00,000	+ 5,00,000
Further allotment for Postal works (to be distributed hereafter).	...	80,000	+ 80,000
Further allotment for Opium works in Bengal and North-Western Provinces and Oudh (to be distributed hereafter).	...	50,000	+ 50,000

Total ...	55,79,599	50,93,450	— 4,86,149

3. The details of the provisional grants now assigned will be found in the statement attached to this Resolution. The detailed budget estimates should be prepared for the grants provisionally sanctioned herein, *plus* any further sums which may hereafter be allotted when the distribution of the lump sums entered in the table in the preceding paragraph for Postal and Opium works is made. The budget estimates should further be prepared in strict accordance with the programme in the accompanying statement, except in those cases where the distribution is left to the local administrations, and they should be submitted so as to reach the Government of India punctually on the 15th January 1884.

Order—

Ordered that this Resolution be communicated to the Local Governments and Administrations noted in the margin, to the Director-General of Railways, the Director-General of Telegraphs, the Director-General of the Post Office of India, the Inspector-General of Military Works, and the Superintendent of Works, Simla Imperial Circle, for information and guidance.
