4. The Central Provinces Local Incorporated Fund Budget Estimate erroneously includes the provision for "Public Works in charge of Civil Officers." The figures under this head should not find a place in the Public Works Department Budget Estimates submitted by Local Governments and Administrations to the Government of India; these estimates should be confined to the transactions under Public Works Officers and under *Civil Officers acting as Public Works disbursers*. The transactions appertaining to "Public Works in charge of Civil Officers" are carried on without the cognizance of the Public Works Department, and the estimates and accounts belonging thereto are dealt with exclusively in the Civil Department, the total amounts of estimates and actual transactions only being advised annually by the Civil Account Officers to the Accountant-General, Public Works Department, for incorporation in the Public Works Estimates which that officer is required to submit to the Department of Finance.

5. The figures of the Assam Budget Estimate, 1882-83, of Public Works Officers reported by the Chief Commissioner in his Secretary's letters Nos. 125 and 281, dated 13th January and 3rd February 1882, respectively, were—

	Rs.
Provincial	12,13,000
Incorporated Local	16,000
Total ...	12,29,000

Subsequently it was ascertained from the Accountant-General, Public Works Department, that the Provincial Budget Estimate had been reduced by a sum of Rs. 7,54,000 transferred to "Public Works in charge of Civil Officers"—Incorporated Local Funds. The figures accepted are therefore—

	Rs.
Provincial	4,59,000
Incorporated Local	16,000
Total ...	4,75,000

But in his telegram of the 2nd instant the Chief Commissioner reported the "Provincial Public Works" Estimate to be Rs. 4,75,000, and made no mention of Incorporated Local Funds.

It is not therefore certain whether the whole of this sum is intended as the Provincial Service grant, or whether it is intended for the *total* Provincial *and* Incorporated Local Funds grant as accepted by the Government of India. So long, however, as the total of Rs. 4,75,000 is not altered, it is left optional with the Chief Commissioner, in this case, to make what distribution he considers desirable between Provincial Services and Incorporated Local Funds.

6. It is requested that the Public Works detailed budget estimates may, with the exception made in the preceding paragraph, be prepared for the precise amounts

accepted by the Government of India as shown in the tables in paragraph 1, any modifications in those figures that may since have become necessary being treated as additions or reductions of budget grants.

Order—

Ordered, that this Resolution be forwarded to the Local Governments and Administrations noted in the margin for information and guidance, with the request that 30 printed copies of each of the Budget Estimates for Provincial Services and Incorporated Local Funds may be forwarded so as to reach the Government of India by the 15th April next.
