GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from D. C. GORDON, Esq., Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 22nd December 1883, No. 168 W.:—

I have the honor to inquire whether Government propose to make any representation to the Government of India in regard to debiting the State Railways with portion of the expenses of this office.

2. The pay of accountants who have been specially placed on the railway establishment lists has been charged to the railways from the dates on which the men entered on their duties. As the staff has only lately been sanctioned and got together, and is still incomplete, the work of booking, establishment, audit, correspondence, &c., has necessarily fallen on the accountants and clerks of this office generally, and will continue to do so more or less for some time to come.

3. Should Government think it worth while taking up the matter, I would suggest that, assuming that a Deputy Examiner Rs. 530, a 3rd grade accountant Rs. 250, a 4th grade accountant Rs. 120, and three clerks Rs. 100, a reasonable share of this office to supplement the special accountants, a sum of Rs. 1,000 a-month with effect from the 1st September 1883 might be charged to the railways until such time as the staff for that branch is fully engaged.

4. I would propose that the above be distributed as follows:—

	Rs.
Bellary-Kistna Railway	400
Cuddapah-Nellore State Railway	400
Vizagapatam-Raipur State Railway	200
Per mensem ...	1,000

ORDER—dated 14th January 1884, No. 114 W., Public Works.

His Excellency the Governor in Council is of opinion that a proportionate charge to Imperial should be made. This charge may, as proposed by the Examiner, be fixed at Rs. 1,000 per mensem, with effect from the 1st September 1883. The sanction of the Government of India will be applied for accordingly.
