NOTE OF REMARKS.

1. This estimate provides for alterations in the Govt Press Office in Fort St. George. The estimated cost is Rs. 678.
2. The alterations proposed to be effected are - the conversion of the present stationery room into a press room for secret papers as the accommodation afforded by the present press room is insufficient; and the preparation of a room in another part of the building for the stationery. It may be remarked that the estimate does not show much care in preparation. In S. E. V

letter, wooden shelves
are spoken of while
in the specification,
allusion is made only
to the wooden railing
of the stationery room,
and the iron wire
netting of the press room.

There are 2 specifications &
