Establishment.

READ—the following letter from Major J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepák, 26th April 1884, No. 127 :—

I have the honor to solicit sanction of Government to the formation of an additional sub-division to this division with effect from the date of Mr. Ottmann's joining this office.

2. In Public Works G.O., No. 302 W., dated 26th January 1883, the formation of a special temporary sub-division was sanctioned by Government, and Mr. Stephens, Honorary Assistant Engineer, was appointed to its charge (*vide* Public Works No. 297 C., dated 29th January 1883). The present incomplete stage of the works under the charge of Mr. Stephens does not admit of his being detached from them.

Chepák Park and several works in connection with its improvements. The bridge across the Buckingham Canal. The additional work thrown upon this division, in consequence of the transfer of the works named in the margin, now necessitates my applying for an additional sub-division, and I trust that, in the circumstances explained, Government will accord sanction to my proposal.

ORDER—dated 8th May 1884, No. 1168 W., Public Works.

The formation of a second sub-division in the Consulting Architect's charge is sanctioned.
