Read the following paper :—

No. 103. *From Brigadier-General R. C. STEWART, Quarter Master General, to Colonel E. L. HANKIN, Secretary to Government, Military Department; dated Fort St. George, 31st December 1883, No. 9349.*

Forwarded, for favorable consideration of Government, with His Excellency the Commander-in-Chief's strong recommendation that the sanction of Government be accorded to the proposal on the conditions mentioned as in the case disposed of in O.G., No. 3947, dated 17th July 1883.

From Lieutenant-Colonel C. A. SIM, R.E., Commandant, "Queen's Own" Sappers and Miners, to the Quarter Master General, Fort St. George; dated Bangalore, 19th November 1883, No. 1517.

On the 15th October last the Chief Superintendent, Government Telegraphs, Madras, applied for the services of three parties of men (one naigue and six privates each) to assist in the construction of a line of telegraph between Bangalore and Jalárpet on the understanding that all charges for carriage of men and tents were borne by the telegraph department, as well as the working pay of the men. G.O., No. 5606, dated 16th October 1883, authorizing the instruction of *two* squads of sappers was received on 24th idem; but, as the men were receiving valuable instruction at no cost to the Military Department, the third squad was not withdrawn. Mr. Luke has now applied for the services of a *fourth* party to work between Bangalore and Mysore on the same terms, reporting that the parties already employed were working well and were of great use. I have the honor to request that His Excellency the Commander-in-Chief will be pleased to recommend to Government that sanction be given for the employment of a fourth party, on the understanding that no extra expense is incurred by the Military Department.

No. 104. ORDER THEREON, 10th January 1884, No. 92.

Sanctioned, as recommended by His Excellency the Commander-in-Chief.
