READ—the following papers :—

From Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, dated Madras, 5th February 1884, No. 39.

I have the honor to submit, for the approval and sanction of Government, the accompanying plans and estimates for the following works at Rajahmundry.

2. The first estimate, amounting to Rs. 4,000, is for making certain improvements to the residence of the Superintendent of the Central Jail. The second estimate of Rs. 1,640 is for constructing a police guard-room at the District Jail, Rajahmundry.

3. The sum of Rs. 4,520 for these works has been entered in the Provincial budget estimate for 1884-85, registered item No. 56.

4. The present accommodation in the Superintendent's house is very inadequate for a married man with a family. It is proposed to add an upper story to the house, as has been done at Trichinopoly. The house at Rajahmundry was commenced whilst Surgeon-Major Bilderbeck was Superintendent, and, as is generally the case with amateur builders, the money was finished but not the work. What is now required is a bed-room with dressing and bath-rooms on an upper story. These necessary additions and alterations I trust will be sanctioned by Government.

5. The second estimate, Rs. 1,640, is for constructing a police guard-room at the district jail. At present the police occupy one of the prison wards inside the jail. This arrangement is not only objectionable on disciplinary grounds, but the accommodation in the jail is so limited that the ward is required for prisoners. Moreover, it is not desirable or safe to have the police with their arms located inside a jail. I propose to construct the guard-room outside the jail as shown in the plan.

From G. T. WALCH, Esq., Officiating Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 26th March 1884, No. 3705 G.D.

With reference to your endorsement, No. 367 C., dated 14th February 1884, I have the honor to return herewith, duly countersigned, the plan and estimate * for improvements to the Jail Superintendent's residence at Rajahmundry.

Chief Engineer's No. 367 C, dated 14th February 1884, with six enclosures.

* Rs. 4,120.

2. The estimate for the above work, as submitted by divisional officer, amounted to Rs. 4,000; this amount is now increased by Rs. 120 owing to dimensions of windows having been altered as requested by Inspector-General of Jails and to some of the scantlings of timbers which appeared too light having been increased.

3. The plan and estimate for police guard-room are also submitted herewith.

ORDER—dated 5th April 1884, No. 934 W., Public Works.

The undermentioned estimates are sanctioned :—

	Amount of Estimate.	Register No.	Classification.
(1) Improvements to the Jail Superintendent's residence at Rajahmundry ...	Rs. 4,120.	Provl. No. $\frac{2 W.}{1}$ of 1884-85.	Civil Buildings, Original Works.
(2) Constructing a police guard-room at the District Jail, Rajahmundry ...	Rs. 1,640.	Provl. No. $\frac{2 W.}{2}$ of 1884-85.	Do.

2. A sum of Rs. 4,520 has been provided for these works in the Provincial budget for 1884-85. The Superintending Engineer, I Circle, will, if necessary, apply for the balance later in the year.
