READ—the following papers :—

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, V Circle,
to the Examiner of Public Works Accounts, dated Chepâk, 8th April 1884,
No. 120.

In reply to your letter, No. 620 S.E.-V, of the 29th ultimo, I have the honor to
state that, in my opinion, the reason why the rest-house at Avadi should not be in
charge of the barrack department is because the only order that refers to vacant rest-
houses is the Government of India circular letter, No. 50, of the 18th August 1876.

2. In standing order No. 26 of 1883 no mention is made of rest-houses, and this
order agrees with G.O., No. 4468, of the 6th August 1877, which was passed
regarding vacant barrack buildings.

G.O., No. 1392 W., dated 5th June 1882.
3. I do not know why the charge of vacant rest-houses should be given to the
Public Works Department; but it appears to me that such is the meaning of the
orders.

No. 36 S.E.-V.

Endorsement on the above.

Forwarded to the Secretary to Government, Public Works Department, for the
favor of orders.

2. If the building is, as it appears, used purely for military purposes, there seems
no doubt but that under Code paragraph 1402, which supersedes all previous orders on
the subject, it should be in the custody of that department, to whom also the charges
involved for such custody should be debited.

22nd April 1884.

(Signed) D. C. GORDON,
Examiner, Public Works Accounts.

G.O., dated 5th May 1884, No. 2113, Military.

Read—letter from the Public Works Department, dated 2nd May 1884, No. 73 E.

Order—dated 5th May 1884, No. 2113, Military.

The Government in the Military Department observe that the question at issue
was decided in proceedings of Government (Military), No. 4468, dated 6th August 1877.

2. With reference to the orders of 1876, which the Superintending Engineer, V Circle, quotes, it is observed that the barrack department of this Presidency is not under the Public Works Department as in Bengal, and that consequently those orders are not applicable.
