OFFICE NOTE.

To C.

1234/3
As the grant for Temporary Establishment provided in the Provincial Budget Estimate for 1884-85, has been distributed in the final issue, under Engineers, Upper Subordinates, Petty and Office, there would appear to be no necessity to make specific appropriations to cover sanctions under Temporary Establishment. The sanctions can be looked against the lump sum grants, as in the case of Minor Works. Please say if you have any objection to this procedure being followed in future.
