In continuation of my letter, No. 4546, dated 10th instant, I have the honor to inform you that Mr. Baker, the new Port officer, Cocanada, reports that he is unable to occupy the Marine Villa, as it is unsuitable for residence in its present condition, and that he is obliged to live in a small hotel, attended with great inconvenience. He says that the Superintending Engineer sent in an estimate on 27th February 1883, amounting to Rs. 2,065, for the repairs of the house, and as it is imperative that they should be attended to before the rains set in, I would respectfully suggest that the amount be placed at the disposal of the Port officer for the purpose of carrying out the work. If approved, I beg that orders be wired direct to the Collector to advance funds and instruct the Port officer to put the repairs in hand at once.
