GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

May 1884, No. .

Drill and Instruction—Gymnastics.

Read the following papers:—

No. . Office note from D. C. GORDON, Esq., Examiner of Public Works Accounts; dated Madras, 20th March 1884, No. 1283.

Kindly let me know if there is any reason why the gymnastic apparatus provided for in the estimate for "converting the Racket Court in Fort St. George into a covered gymnasium," sanctioned in G.O., No. 590-W., dated 4th March 1884, should not be supplied by the Commissariat Department (*vide* page 61 of list printed with Military Department G.O., No. 1068, of 21st February 1881, communicated with G.O., No. 576-W., dated 4th March 1881).

2. The estimate in question is herewith forwarded for reference.

To the Secretary to Government, P. W. Department.

No. 728-C.

Referred to the Military Department for favor of information whether the Commissariat Department can supply the articles in question.

FORT ST. GEORGE,

(Signed) A. KENNEY-HERBERT, Lt.-Col.,
Offg. Secretary to Government.

No. . From Colonel B. H. W. MAGRATH, Commissary-General, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Madras, 1st April 1884, No. 44.

In returning the papers forwarded under your endorsement, No. 1524, of the 27th March 1884, I have the honor to inform you that the gymnastic apparatus can, if considered necessary, be supplied by the Commissariat Department on the necessary funds being allotted for the purpose.

2. But as this department has no workshops under departmental supervision and would have to get the apparatus constructed by contractors having no previous experience in making such supplies, the interests of Government would probably be better served if the articles were made up by the Public Works Department as was originally intended.

No. . From Brigadier-General R. C. STEWART, Quarter Master General, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Ootacamund, 5th April 1884, No. 2292.

In returning the correspondence received under reference O.G., No. 1647, dated 2nd instant, I am desired to state that His Excellency the Commander-in-Chief considers that all fixed apparatus for gymnasia should be supplied by the Public Works Department, which department supplies all buildings with fixtures, the Commissariat Department being called upon to supply moveable apparatus only, as it supplies furniture.

2. Should Government concur in this opinion, it is suggested that sanction should be given for the addition of a note on the subject to the list of apparatus in the revised scale of furniture, published with O.G., No. 128, dated 21st February 1881.

No. . ORDER THEREON, 2nd May 1884, No. 2048.

The Right Honorable the Governor in Council, concurring in opinion with His Excellency the Commander-in-Chief, directs that all fixed apparatus for gymnasia be supplied by the Public Works Department.

2. This change will be notified in General Orders by Government.
