17TH MAY 1884, No. 1252 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 5th April 1884, No. 2194:—

I have the honor to submit, for the very favorable consideration and orders of Government, the accompanying letter from the Consulting Architect to Government, forwarding with reference to G.Os., dated 5th January and 20th April 1883, Nos. 2 and 230, Educational, respectively, plans and estimates for additions and improvements to the Medical College buildings. The estimate consists of the following items, aggregating Rs. 75,326:—

	RS.
(1) Dissecting house	36,830
(2) Improving light and ventilation of and adding galleries to the three lower rooms of north wing	9,026
(3) Improving lighting and ventilation of present anatomical theatre	196
(4) Erecting galleries, &c., in library	5,425
(5) Adding an upper-story to the north wing	13,999
(6) Completing verandah round front and sides of building	8,775
(7) Improving out-house rooms	1,075
Total	75,326

2. The Surgeon-General with the Government of Madras agrees with the Principal of the Medical College in considering that all the improvements noted above should be carried out in the year, and that when they are completed, no further additions will be necessary for many years to come. The work should be provided for in the Public Works Budget.

ENCLOSURE.

From Major J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Director of Public Instruction, dated Madras, 30th January 1884, No. 1447.

With reference to Educational G.Os., No. 2, dated 5th January 1883 and No. 230, dated 20th April 1883, I have the honor to forward, herewith, detailed plans in four sheets and estimates for additions to, and improvements in, the Medical College buildings at Madras.

2. The plans have been prepared, with, first, in communication with each individual medical officer concerned; secondly, in consultation with the college principal; thirdly, by being laid before the college council, and, fourthly, they have been approved of generally by the Surgeon-General, Indian Medical Department.

3. The plans and estimates, which in all amount to Rs. 75,326, have been signed by the Principal of the Medical College on behalf of the college council.

4. The additions and improvements consist of the following details:—

- (1) A new dissecting house containing a dissecting room for male and female students, a preparation room, a lecture theatre for 130 students with gallery for prepared anatomical specimens, an anatomical museum, a small office room for the professor, and a lavatory.
- (2) In the present pathological museum room and in the room temporarily occupied by the Chemical Examiner, it is proposed to erect galleries on iron pillars approached by circular stairs, to improve their light and ventilation, and to re-arrange the cases end on to the walls, increasing their number and height. In this way the museum of pathology, hygiene and botany can all be accommodated in the three rooms forming the lower-story of this north wing.

- (3) To improve the lighting and ventilation of the present anatomical theatre.
- (4) To erect galleries and improve the lighting and ventilation of the college library room.
- (5) To erect an upper-story on the north wing of the college thus providing for a histological theatre, a room for the professor of ophthalmic medicine, surgery, and physiology, and an office for the principal's clerk, who is now (most inconveniently) in the same room with the principal.
- (6) To take advantage of the platform and parapet now running round the front and sides of the college building and to erect over it a terraced roof on iron pillars thus forming a verandah.
- (7) To improve the small out-house rooms now used by lady students and others, by adding a small bracketed verandah and clear-story windows for light and ventilation.

5. The cost of these proposals will be as follows:—

	Rs.
(1) Dissecting house	36,830
(2) Improving light and ventilation of and adding galleries to the three lower rooms of north wing	9,026
(3) Improving lighting and ventilation of present anatomical theatre.	196
(4) Erecting galleries, &c., in library	5,425
(5) Adding an upper-story to the north wing	13,999
(6) Completing verandah round front and sides of building...	8,775
(7) Improving out-house rooms	1,075
Total	75,326

6. The completion of the verandah round the building is made necessary because the provision of galleries to the large rooms of the college necessitates more light in these rooms, and from the want of the verandah the lower doors of these rooms cannot be now opened, for they admit too much direct sunlight and rain. There are also other college rooms which are now very dark for the same reason.

No. 907, Educational.

Approved and transferred to the Public Works Department.

(By Order.)

Ootacamund,
25th April 1884.

(Signed) J. D. REES,
Acting Under Secretary.

ORDER—dated 17th May 1884, No. 1252 W., Public Works.

The plans with estimate, amounting to Rs. 75,326, for improvements and additions to the Medical College buildings at Madras, are sanctioned for execution by the Consulting Architect when funds are available.

2. The component parts of the estimate are detailed in the letter from the Director of Public Instruction recorded above.

3. This sanction has been registered as Provincial No. 36 W. of 1884-85 and classified as Civil Buildings, Original Works.

- 1 Abstract estimate
- 1 2nd duplicate

With reference to Educational G. O. No 2 dated
 5th January 1883 and No 230 dated 20th April 1883
 I have the honor to forward herewith detailed
 plans in 4 sheets and estimates for additions to
 and improvements in the Medical College
 Buildings at Madras.

2. The Plans have been prepared, with first, in
 communication with each individual medical
 officer concerned, secondly in consultation with
 the College Principal, thirdly by being laid
 before the College Council, and fourthly they
 have been approved of generally by the Surgeon
 General S. M. D.

3. The Plans and Estimates which in all
 amount to Rupees 75,326 have been
 signed by the Principal of the Medical College
 on behalf of the College Council.

4. The additions and improvements consist
 of the following details:-

I A new Dissecting House containing a dissecting room for male and female students, a preparation room, a lecture theatre for 130 students with gallery for prepared anatomical specimens, an Anatomical Museum, a small office room for the Professor, and a Lavatory.

II In the present Pathological Museum room and in the room temporarily occupied by the Chemical Examiner it is proposed to erect galleries on iron pillars approached by circular stairs, to improve their light & ventilation, and to rearrange the cases and on to the walls, increasing their number and height. In this way the Museum of Pathology, Hygiene & Bacteriology can all be accommodated in the 3 rooms forming ^{the} lower storey of the North wing.

III To improve the lighting & ventilation of the present anatomical theatre.

IV To erect galleries and improve the lighting and ventilation of the College Library Room.

V To erect an upper storey on the North wing of the College, ^{thus} providing for a Histological Theatre, a room for the Professor of Ophthalmic

8/25
Medicine and Surgery, and Physiology, and an office for the Principal's clerk, who is now (most inconveniently) in the same room with the Principal.

1252
7
VI To take advantage of the platform and parapet now running round the front and sides of the College Building and to erect over it a terraced roof on iron pillars thus forming a Verandah.

VII To improve the small out-house rooms now used by Lady students and others, by adding a small bracketed verandah and clear storey windows for light and ventilation.

V.5. The cost of these proposals will be as follows:

I Dissecting House	Rs 36830
II Improving light & ventilation of and adding galleries to the 3 lower rooms of North wing.	9026
III Improving lighting & ventilation of present anatomical theatre	196
IV Erecting galleries & improving Library	5425

I Adding an upper storey
to the North wing 13,999

II Completing verandah round
front & sides of Building 8775

III Improving out-house rooms 1075

Total Rs 75,325

Rs 3
350

6. The completion of the verandah round the building is made necessary because the provision of galleries to the large rooms of the College necessitates more light in these rooms and from the want of the verandah the lower doors of these rooms cannot be now opened, for ~~without~~ a ~~verandah~~ they admit too much direct sunlight and rain. There are also other College rooms which are now very dark for the same reason.

Letter No. 907

Dated the 25th April/85

From the Secy to Govt

NOTE OF REMARKS. 1252a

1. The accompanying plans and estimate provide for 'improvements and additions to the Medical College buildings at Madras'. The estimated amount is Rs. 76,326.
2. The estimate is divided into the following heads, or sub-estimates:—
 1. Construction of Dissecting House — Rs. 36,830.
 2. Improving lighting and ventilation of, and adding galleries to the three lower rooms of North wing of College — Rs. 9,026.
 3. Improving lighting and ventilation of the present anatomical theatre — Rs. 996.
 4. Erecting galleries &c in the Library — Rs. 5,425.

Note by Budget Section.

Rs. 43/16
6-2-85

5. Adding an Slipper Street
to the Roughing - Rs. 13,999.

6. Completing Academic
around front and sides
of college - Rs. 8,775.

7. Improving rooms of
bathhouse - Rs. 1075.

The plans and estimate
display skill and care
in preparation, and
since, as C.A. states, the
various plans were drawn
up in communication
with Medical officers inter-
ested in the work pro-
posed to be done, it may
be fairly assumed that
provision has been made
to meet all requirements.

3. The plans and estimate
have been countersigned
by the Principal of the
Medical College, and
by the Director of Public
Instruction.
