READ—the following papers :—

From A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 30th April 1884, No. 512 G.

Referring to your letter, No. 862 W., dated 31st March 1884, regarding what has already been done and remains to be done by Colonel Montgomerie in connection with the Tank Maintenance Scheme on which he is employed, I am directed to observe that in the 3rd paragraph of Colonel Hasted's note, dated 22nd March 1884, submitted therewith, it is stated that "on these maps the main drainage basins are first laid down and then divided into minor basins as appears most convenient. The out-door parties then verify the basins and take up each work, obtaining from the Revenue Department full revenue details, working out the hydraulic details and ascertaining the requirements of each." With reference to this description of the work done I am to inquire whether it applies to the whole of the Madura district.

2. I am also to request that it may be stated what has been the actual strength of the establishment employed directly under the orders of Colonel Montgomerie.

OFFICIAL MEMORANDUM.

With reference to endorsement, No. 108 E., dated 8th instant, on letter from the Government of India, the undersigned has the honor to report that the Vigai river basin, in the Madura district, has been sub-divided, and the Upper Vigai basin has been grouped, all details worked out, and the actual work of restoration put in hand ; the rest of the Madura district has not yet been taken up.

2. Enclosed is a statement furnished by the Examiner, Public Works Accounts, showing the strength of the establishment employed under Colonel Montgomerie during last official year.

Referring to your letter № 862 W dy
31st March 1884, regarding what has al-
-ready been done and remains to be
done by Colonel Montgomerie in con-
-nection with the Tank Maintenance
Scheme on which he is employed, I am
directed to observe, that in the 3d para
of Colonel Hasted's note dated 22d
March 84, submitted therewith, it is
stated that "on the maps the main
"drainage basins are first laid down
"and then divided into minor basins
"as appears most convenient. The out
"door parties then verify the basins
"and take up each work obtaining
"from the Revenue Department full
"revenue details, working out the
"hydraulic details and ascertaining the
"requirements of each." With reference

to this description of the work done I am to enquire whether it applies to the whole of the Madura District.

vide para 3 of Ltr printed Vote 2 of 10th April 1884.

2. I am also to request that it may be stated what has been the actual strength of the Establishment employed directly under the orders of Colonel Montgomerie.
